## A leading partner in Business Strategy Execution powered by SAP

### OUR SAP OFFERING PORTFOLIO:

SOA People supports our clients along the entire life cycle of their SAP platform, from design and delivery to improvement and performance, whilst providing the highest levels of support. We're ready-to-serve our clients with our four main categories of service offering:

#### READY-TO-INNOVATE

Solutions and services to innovate  
and digitally transform your business

#### READY-TO-BUSINESS

SAP pre-configured vertical solutions  
to minimize your investments

#### READY-TO-PERFORM

SAP expertise and solutions to  
perform your Business processes

#### READY-TO-SUPPORT

Our 'on site' or 'shared' support services  
to decrease your total cost of ownership

### SOA PEOPLE IN THE CLOUD

We are exceptionally well positioned to meet our customers' expectations across the range of SAP ERP, brand new solutions such as S/4 HANA, Cloud – especially Cloud for Customer and SuccessFactors – BI, and Mobility.

SOA People has built its success on developing solid value propositions across 4 pillars: driving innovation to transform your business, improving business process performance, driving successful projects and assuring long term on-going support for our customers. Going forward these 4 pillars will be delivered in "On Demand", "On Premise" and "Hybrid" models and we are now even better equipped to deliver them. Put simply, whatever your requirement across the SAP platform, we have you covered.

## A STRONG SAP PARTNERSHIP

As a privileged European partner, SOA People has strong collaboration with SAP managers, experts and executives. We're proud to be a SAP Platinum Partner in France, Belgium and Luxembourg, and a SAP Gold Partner in the Netherlands and Germany. We're a Member of United VARs, the world-wide network of top SAP partners. This membership gives our clients access to local champions with leading expertise in their area of requirement.

SOA People is a member of the SAP EMEA Partner Executive Council (PEC) and is certified on SAP vertical solutions such as Professional services, Maintenance services, Rentals, Life sciences, Chemicals, Industrial Machinery and Components, plus SAP HANA, Mobility, Analytics and Cloud.

SOA People is certified as a "Premium Quality Partner" in the SAP Partner Quality Program and a "Partner Centre of Expertise" for support. We're also a "Ramp-up partner" for the deployment of some of SAPs innovative solutions.

## OUR CUSTOMERS

We have a credible list of customer in all industries who continue choose SOA People as their SAP Partner such as:

## ABOUT SOA PEOPLE

SOA People has been supporting its customers to transform their businesses into exceptionally efficient, high performing companies. In every transition project, strict adherence to budget and timing are of prime importance. Thanks to our relevant offerings, proven methodology and professional approach, SOA People boasts an impressive track record of successful and innovative projects, across all industries and in companies of all sizes. As a Pan European partner with an international reach, we are focused on delivering the entire end to end SAP technology stack.
